- Urinals and urinary drainage
- Waterproof bedding, chair pads and absorbent mats.

About CAPS

What is the CAPS?

The CAPS is an Australian Government Scheme that financially assists eligible people who have permanent and severe incontinence to meet some of the costs of their incontinence management products.

The CAPS provides greater choice and flexibility for clients to allow them to purchase their incontinence management product from a supplier of their choice.

Who is eligible to receive CAPS?

An Australian citizen or a permanent Australian resident "...is eligible for CAPS if they are five years of age or older and have one of the following:

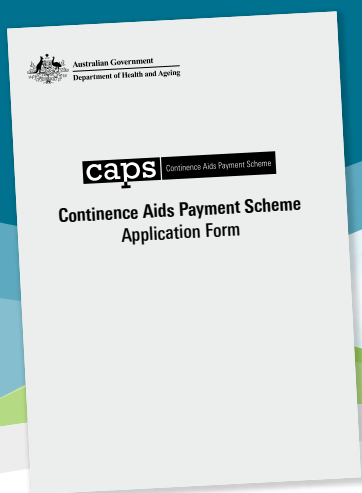

- a) Permanent and severe loss of bladder and/or bowel function caused by an eligible neurological condition; or
- b) Permanent and severe loss of bladder and/or bowel function caused by another condition, provided the person has a Centrelink Pensioner Concession Card, whether as a primary cardholder or a dependant of a cardholder; or
- c) Permanent and severe loss of bladder and/or bowel function caused by another condition, provided the person has a Department of Veterans' Affairs (DVA) Pensioner Concession Card, whether as a primary cardholder or a dependant of a cardholder."

How much is the 2015-16 CAPS payment?

CAPS clients receive \$558.90 per annum, which is indexed annually.

(Continence Foundation of Australia)
